Researchers at the University of Alberta are conducting an online parent survey that explores experiences and outcomes of disclosing their child’s diagnosis of ASD in community programs.

Do you have a child with autism spectrum disorder (ASD) under 18 years of age?

Principal investigator: Dr. Sandra Hodgetts
Ethics ID#: Pro00080064

For more information please contact Dr. Sandra Hodgetts @ 780-492-8416 or visit the survey website.
