

Group Services Fall 2020 Respite Application

Group Services is so excited to be re-opening our doors and welcoming back our funded evening and weekend programs! While spaces are limited, we are offering select evening and weekend groups for children and youth as well as weekend groups for our adult participants. All services In-Centre will be offered at a 1:1 ratio and will be compliant with COVID-19 recommendations as directed by Toronto Public Health.

Since spots will be limited, we are continuing with an application process and depending on the number of applications, will use a lottery system to determine respite spots.

*Please note that these are funded programs and therefore you may only apply to **ONE** session. In addition, these programs are non-refundable unless COVID-19 guidelines change and programs are closed.*
